

# Evil is evil

**Jun Togo**

Rules and/or customs vary in different time and places.

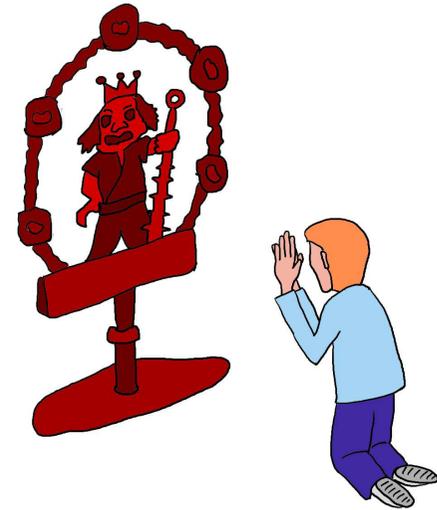

What is called evil in one nation is often committed by people in other countries.<sup>1</sup>

**Death penalty**

**Homosexuality**

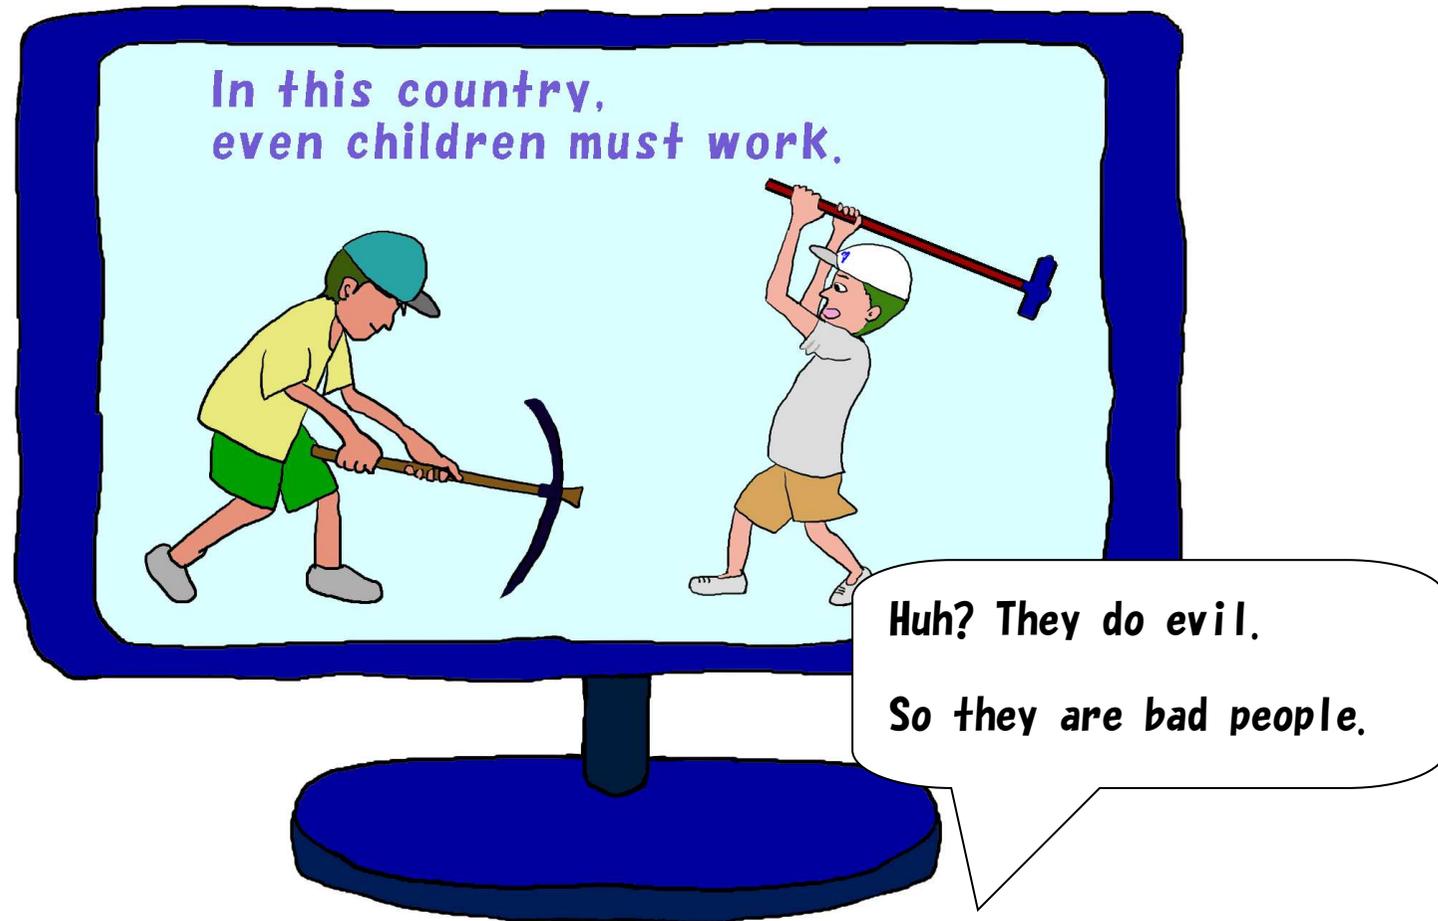

**Idol worship**

**Abortion, Torture, Marijuana, Prostitution, Child pornography, Censorship, Religious oppression, Discrimination, Adultery, Succession of power, One-party dictatorship, Theocracy, Capitalism, Communism, Eating dogs, Eating whales, Eating pigs, Eating cows...**

---

<sup>1</sup> The writer makes no assertion at all about *good and evil* regarding abortion, death penalty, idol worship etc.

I have not thought this deeply. I just said evil is evil. <sup>2</sup>

---

<sup>2</sup> The writer makes no assertion at all about *good and evil* regarding child labour.

By the way, many people have been taught as follows since they were children.

**Fight against  
what is bad**

Naturally the country on television and my country have begun a war.

Countless people have been injured and lost their lives. The war was extremely tragic.

Later on many wise men analyze the cause of the war. However some of them seem a bit irrelevant.

***I wonder which was evil in  
the conflict?***

***Who was really bad?***

## Afterword –'Evil is evil' picture book

There seems to be so many illusions related to the 'good and evil' ideology. These illusions tend to cause various tragedies, which cause millions of people to suffer. (Please refer to my book, *Good and Evil Addiction*).

I have written this picture book with this illusion as the theme with the aim of reducing such tragedies.
