

Kill or Be Killed

Jun Togo

There are countless people in the world who believe that they must fight against evil.

One-day, people who believed in justice started attacking someone, whom they saw as an evil.

They naturally called out to others to join the fight for the victory of justice.

Oh, so are you saying that you are on the evil side? If so, I'll attack you too.

No! I will join with you guys.

They have kept calling out to others one after another. One must win the fight against evil at any cost.

No one wants to be killed. Thus the number of people who fight increases rapidly.

You see?

In the world where the illusion of *good and evil* dominates, anyone who is not good is evil. So...

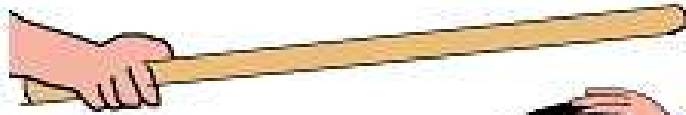

If you don't kill,

You will be killed.

Well then,
I will bully you

If so, you are
our enemy

Therefore it is easy to support bullying or wars, but is very hard to stop them.

If you don't want to kill
or **to be killed,**

Please help to break
the illusion of *good and evil,*

before someone points a gun at you.

**Fight with us
against evil!**

Afterword –'Kill or be killed' picture book

There seems to be so many illusions related to the 'good and evil' ideology. These illusions tend to cause various tragedies, which cause millions of people to suffer. (Please refer to my book, *Good and Evil Addiction*).

I have written this picture book with this illusion as the theme with the aim of reducing such tragedies.
