

Water and Detergent

Jun Togo

A man wanted to take a bath when he was on a trip.

Splash!

He thought that it was a hot bath, but actually it was a pond.

It is cold if one gets a wrong recognition. That is natural.

She was thirsty, so she wanted to drink water.

Glug

Yuck!

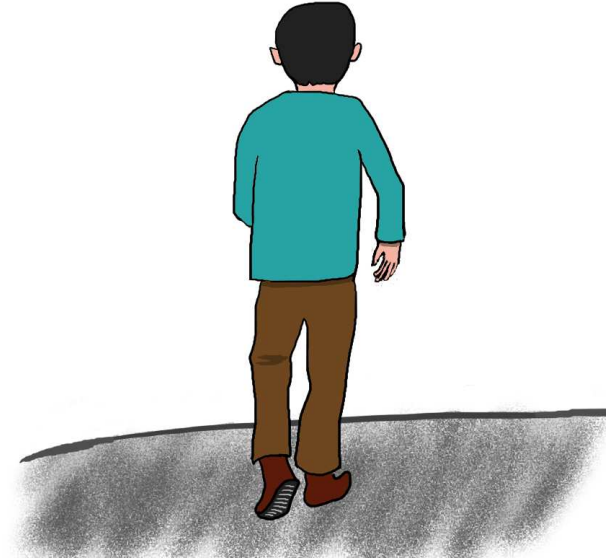

Hi sweetheart, could you bring the detergent in a cup?

Detergent!?

It tastes awful if one gets a wrong recognition. That's natural.

He thought that it was a flat way and walked.

But actually it was a cliff.

It is one's **benefit** to recognize the reality as it is. This is an extremely natural fact; nothing to do with *good and evil*.

An illusion is painful.
